

CIMA Studies at Prague College Pricing Options for Students

Option A: External Students – No Prague College Exemptions

The guide below outlines costs for studying the CIMA Professional Qualification over three years making the following assumptions:

- You have no exemptions
- You sit and pass each exam on the first attempt
- You are entering at Operational level of the CIMA Professional Qualification
- You are in a tier 2 market (find out more about tiered exam pricing here)
- You are studying online with [CIMAstudy](#) and have purchased an [official CIMA Study Text](#)
